FOR IMMEDIATE RELEASE

Three more nights of closures on Westbound Highway 12

Solano County – The California Department of Transportation (Caltrans) plans three more nights of lane closures on westbound State Route 12 (Jameson Canyon Road) this week.

During the closures, crews will build the embankment and underdrain for the Truck Climbing Lane project on SR-12.

The closures will be on Wednesday, September 24, Thursday, September 25 and Friday, September 26. On Wednesday and Thursday nights the closures will last from 9 p.m. to 5 a.m. On Friday night the closure will be a little longer starting at 9 p.m. and ending at 7 a.m.

Napa-bound traffic heading for westbound SR-12 from Interstate-80 should detour by exiting Highway 37 in Vallejo and then turning right onto Highway 29.

Eastbound lanes on State Route 12 will be open to traffic during the night work on Wednesday, Thursday and Friday.

Caltrans is on schedule to complete this segment of freeway rehabilitation work in Solano County by early November.

Motorists are advised to expect traffic delays during this operation and encouraged to take alternate routes if necessary. Motorists are also advised that traffic fines are doubled in construction zones.

Please “Slow For The Cone Zone.”
